Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

A. You are requested to fill out this box. This data is requested from some states by the Department of Justice in their enforcement of the Voting Rights Act and the National Voter Registration Act. Enter the choice that best describes you from the following list: W= White; B/AA= Black/African-American; A= Asian; H= Hispanic; N= Native American; O= Other.

B. Your Social Security number is required. If you do not have a Social Security number, your South Carolina Driver's License number is required for voter registration. If you do not possess either of these identifications, the State shall assign a number that will serve to identify you for voter registration purposes.

C. Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.

D. Provide the complete street address of your South Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway _____, 2

miles past Highway _____, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county or township where you claim legal voting residence.

E. Print the complete address where you want your ballot sent - usually your current mailing address. It must be different from the address you provided in Item 3.

F. If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.

G. Check ONE box.

H. You must sign and date the FPCA. When signing, you are swearing or affirming that the information is true and correct.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of South Carolina and members of the Uniformed Services and their family members. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.

B. Registering and Requesting an Absentee Ballot

You should send an FPCA to your local election official early every year and whenever you change your mailing address (see Chapter 2).

To register and request an absentee ballot, send a completed FPCA to the Board of Voter Registration so that it arrives not later than 30 days before the election.

If you are already registered and only wish to request an absentee ballot, send a completed FPCA to the local county Board of Voter Registration so that it arrives not later than four days before the election. However, waiting too long may make it impossible for you to receive your blank ballot in time to return it by the deadline for receipt of voted ballots.

C. Casting Your Vote

Ballot Return Deadline: Voted ballot must arrive by the close of polls on election day.

Local election officials mail out absentee ballots approximately 45 days before the election.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the **Federal Write-In Absentee Ballot**. See instruction in Chapter 2, page 12.

D. Notary/Witness Requirements

FPCA: No notary or witness required.

Ballot Return Envelope: The oath on the ballot return envelope must be witnessed.

E. Electronic Transmission of FPCAs and Ballots

- South Carolina allows you to send the FPCA for absentee ballot requests and registration by fax. You must also submit the original FPCA by mail.

- South Carolina allows you to receive the blank ballot by fax in declared emergency situations.
- South Carolina allows you to return the voted ballot by fax in declared emergency situations.
